## RADII SERIES

radii buffet

radii tables

Made in Australia - Long Life/Sustainable

Radii\_shift

Luxxbox has created the new Radii series, go beyond the angle. Radii is a new storage/stool/table series with a double identity- solid Tasmanian oak legs, plywood reveal veneer top and optional finishes for a hard centre. Made with solid oak legs - stains, colours, shapes, sizes, drawers and doors no problem.

Available in a stock range of colours as well as custom colours and sizes for projects.

Materials: Plantation grown Tasmanian Oak, sustainable plywood, veneer or GECA laminate.

### Key Benefits
