

## DNMARK DAYBED

Rene Hougaard, *Designer*  
2005

Lead Time: 9-12 weeks imported

Perfect powernap in luxury. Recharge with energy or wait with style. Exclusive design and style  
GT DAYBED is designed with its roots in traditional Scandinavian Design but manufactured and formed with modern day equipment.  
Suitable for use in commercial fit outs – lobbies, foyers, hotels, airport.

Made from solid timber construction, with polished chrome laser cut steel. Upholstery made with the best hand made qualities of beautiful materials.  
Neat pleated upholstery detail.
