

CITY

Designer, Busk + Hertzog

Lead Time: STOCK or 9-11 weeks

City is a modern meeting chair with a sharp profile & soft edges.

The stringent line of the seat is combined with challenging stitchings and crossing lines. This renders City with an identity of its own – however the clear idiom of the chair ,ay be used in most interior projects.

City if the first of a series of modern meeting & lounge furniture from Magnus Olesen.
