

# FLOW

**Designer,** Busk + Hertzog

Lead Time: 9-11 weeks

Flow Seating System is suitable for various public and commercial spaces.

Using the 4 basic elements (single, 2 seater, concave/convex corner modules) Flow Seating system can be used as a chair, sofa or as a lounge system with many flexible configurations and setups.

Flow may also be combined with arms and/ or tables either between or at the end of the elements.

The upholstery on front side is made with "miniquilt", visually emphasizing the flow in the setups
