

## FRAME TABLE

Tom Stepp,  
Designer

Lead Time: 9-12 weeks

Minimalist furniture that is comfortable, expressive and flexible. With its simple design and pure lines Frame is ideal for public rooms and institutions, as well as the traditional reception areas.

The Frame series comprises of an armchair, two seater sofas, and a two and three seat bench, all of which can be upholstered in a wide range of textiles and types of leather. Frame Table available in various finishes.

The elegant frames for frame are made of 22mm diameter stainless steel tubing. The surfaces are shot blasted to provide an exclusive satin look.

Suitable for commercial, residential, retail and hospitality.
