

Lead Time: 10 – 12 Weeks

Kevi is the classic office chair with the hardwearing principle: The better you sit, the more you get done. Designed by an architect and dedicated to schools and workplaces where one solution must satisfy many demands. Everything is visible, nothing is superfluous: seat, back, base, and controls. A simple well-balanced formula that incorporates visual appeal with freedom of movement plus the flexibility you expect from a full service program.
