A little piece of furniture with a big personality

'Just like in granny's house – all her best furniture is covered in plastic so it doesn't get dirty.'

The inspiration for this model came during a lunch in the home of Enrico Fratesi's Italian grandmother Luisa.

Inside-out – a non-typical experience of materials: the warm soft material embraced by two layers of transparent acrylic.

Available in mixture of laser cut or printed fabric within layers of clear Perspex: black white & red fabric & print combinations

Suitable as side table or casual stool.

Dimensions:

Height: 450mm

Width: 450mm

Depth: 350mm
