

ORBIT

Ross Lovegrove, *designer*

Lead Time: 10 - 12 weeks, or stock

Orbit is shaped into a beautiful leaf-shape shell with incredible strength and fantastic sitting comfort. It displays amazing thinness. Seat shell available in zebrano, walnut, ash veneer, black lacquered on ash or the plastic version, which comes in eleven colours. The Orbit is ideal for canteens, meeting rooms and restaurants as well as dining rooms and casual domestic space. It features a four leg chrome base or silver lacquered (outdoor) both on rubber glides. A generous elegant chair that can be stored in stacks of 15. **New BLACK RUBBER finish**
