

## RONDO

**Erik Jorgensen, *designer***

Lead Time: 10 weeks

A durable, minimum maintenance, stackable (up to twelve in a stack) ease of use chair.

Rondo features a veneer shell in beech, cherry, maple or birch.

Stained wenge or lacquered in a selection of colours.

Frame in chrome, satin chrome and matt aluminium finish or in black as well as an anthracite grey powder lacquer finish.

Available with or without arms, and shells can be partly or fully upholstered in a wide range of quality fabrics.

Ideal for canteens, conference rooms, lecture rooms, institutions, airports, etc.
