

SOFT CELL

Morten Voss, *designer*

Lead Time: 10-12 weeks

The range consists of a lounge chair, two-seater sofa and three-seater sofa. The lounge chair has a swivel base option.

Upholstered in quality leather or other fabrics.

Slender frame comes in polished chromium-plated steel, available with a swivel base with return function.

Soft cell is ideal for use in lounge areas, hotels, restaurants and airports, waiting areas, or where minimalism, functionality, comfort and quality take priority.
