

SQUARE LEDGE:ABLE

Anne Linde, Designer

Lead Time: 8-10 weeks

A bookcase as well as a sculptural piece, the Square Ledge:Able is a modern design to hold a variety of items for both commercial and residential use.

The various possibilities are endless, with a simple 3 tier construction to form 2-5 shelves.

Simple wall mounting [aluminium matching split baton] with easy hook glide makes installation effortless and effective.

Made of powdercoated aluminium, the Square Ledge:Able is strong and light.

Available in semi gloss white, or various colour options on request.
